Special Program for High School Students
The Conquest of Cancer and the Next Generation of Cancer Researchers
AACR Conference on The Science of Cancer Health Disparities
Atlanta, GA

Mentors

We extend our sincere thanks to the dedicated mentors who have generously shared their time, expertise, and passion with this program. As you meet these remarkable professionals, take advantage of the opportunity to ask questions, learn from their journeys, and discover the many exciting paths that can lead to a future in cancer research and biomedical science.
