Registration

Registration will be located in Lobby J of the Ernest N. Morial Convention Center on the following schedule:

Friday, April 15  3:00 p.m.-7:00 p.m.
Saturday, April 16  7:00 a.m.-6:00 p.m.
Sunday, April 17  6:30 a.m.-6:00 p.m.
Monday, April 18  6:30 a.m.-5:00 p.m.
Tuesday, April 19  6:30 a.m.-5:00 p.m.
Wednesday, April 20  6:30 a.m.-12:00 p.m.

Satellite Registration, for advance pick-up only, will also be available at the Hilton New Orleans Riverside and the New Orleans Marriott (2nd level, Preservation Hall Entrance) on the following schedule:

Friday, April 15  4:00 p.m.-8:00 p.m.
Saturday, April 16  6:30 a.m.-6:00 p.m.
Sunday, April 17  6:30 a.m.-12:00 p.m.

Spouse registration may only be purchased onsite beginning Sunday, April 17. All spouse registrations must be tied to an existing attendee record and are not available to individuals working in the cancer research field. Spouse fee includes only social activities offered during the conference and access to the poster and exhibit hall; it does NOT admit individuals to lecture sessions. The fee for spouse registration is $75.

Professional Advancement Sessions

Professional Advancement Sessions are organized to provide important skills to investigators at all levels, from high school students to senior faculty. The fee for the Grant Writing Workshop is $45 for AACR members registered for the Annual Meeting; and $95 for nonmembers. For all other Professional Advancement Sessions, attendance is free for members with your Annual Meeting registration; but there is an additional $50 fee for nonmembers for each session.

Advance registration was available for the Grant Writing Workshop; however, limited space may be available on a first-come, first-served basis onsite. Participation for all other sessions is on a first-come, first-served basis, as space is limited. Nonmembers are required to pay onsite. As an additional member benefit, webcasts of selected Professional Advancement Session presentations are available free to AACR members in good standing. (Note: Participation in the Annual Meeting Webcast is left to the discretion of each speaker. As a result, some presentations may not be available for webcast, and some webcast presentations may not include all slides.)
**Membership**

Annual Meeting registrants are invited to visit the Membership Center (located in AACRcentral, Booth #1230) or the Membership Booth (located in the registration area, Lobby J) to learn more about membership and the exclusive benefits available to AACR members, join one or more Association groups within the AACR, update contact information, pay membership dues, and more. AACR Dedicated Member mementos are also available on a first-come, first-served basis.

**Special Membership Offer to Nonmember Registrants**

Annual Meeting attendees who are registered as nonmembers are encouraged to apply for membership during the meeting. Those who apply for membership and are approved will receive free membership for 2016. Don’t miss this opportunity to join us in the global conquest of cancer. Apply at the Membership Center (AACRcentral, Poster and Exhibit Hall) or Membership Booth (Lobby J of the Convention Center).

**Annual Meeting Information Booth**

The Annual Meeting Information Booth is located in Lobby J of the Ernest N. Morial Convention Center and will be open during session hours to provide information about the AACR and the Annual Meeting. Staff members will be available to assist you with city and convention center maps, shuttle bus schedules, and information on AACR’s programs.

**Speaker Preparation Room**

Speakers should visit the Speaker Preparation Room (Room 297 in the Ernest N. Morial Convention Center) at least four hours before their session begins to test their presentations. The Speaker Preparation Room will open on Friday, April 15, from 2:00 p.m. to 6:00 p.m., and will be open daily during the meeting from 6:30 a.m. to 6:30 p.m. Please note: Speakers in sessions taking place in hotels should NOT check in at the Speaker Preparation Room. Speakers in hotel sessions should arrive at their session room 30 minutes prior to the start of the session and check in with the AV technician to upload and test presentations. Speakers cannot use personal laptops in any session rooms.

**Press Relations**

The AACR Press Office will be located in Room 350-351 of the Convention Center. It will be open from 8:00 a.m. to 6:00 p.m. on Saturday, April 16; from 7:30 a.m. to 6:00 p.m. on Sunday, April 17 through Tuesday, April 19; and from 8:00 a.m. to noon on Wednesday, April 20. The AACR’s press contacts are Lauren Riley at lauren.riley@aacr.org or 215-446-7155, Lauren Walens at lauren.walens@aacr.org or 215-446-7163, Jeff Molter at 267-210-3965 or jeff.molter@aacr.org, and Julia Gunther at julia.gunther@aacr.org or 267-250-5441.
Child Care

Professional child care services are offered at a nominal cost in Room 256-257 of the Convention Center on the following schedule:

Saturday, April 16  7:30 a.m.-7:00 p.m.
Sunday, April 17   6:30 a.m.-7:00 p.m.
Monday, April 18   6:30 a.m.-7:00 p.m.
Tuesday, April 19  6:30 a.m.-7:00 p.m.
Wednesday, April 20 6:30 a.m.-1:30 p.m.

As a convenience for registrants, the AACR subsidizes the cost of this service. The cost for this service to the user is $12 per hour for each child (2-hour minimum required). Snacks and beverages are included in the fee, but meals must be provided by parents. Medication will NOT be administered by the provider, KiddieCorp. To ensure a safe and fun-filled environment, any child who is ill will not be admitted to the children’s program. Advance registration was strongly encouraged. Onsite registration will be permitted as space allows.

Nursing Mothers Suite

Annual Meeting participants who are also nursing mothers will find the Nursing Mothers Suite to be a private, comfortable, and secure environment in which to nourish and nurture their babies. AACR-Women in Cancer Research (WICR) is pleased to sponsor this important service again in 2016. The Nursing Mothers Suite will be available in Room 255 of the convention center on the following schedule:

Saturday, April 16  7:30 a.m.-7:30 p.m.
Sunday, April 17   6:30 a.m.-7:00 p.m.
Monday, April 18   6:30 a.m.-7:00 p.m.
Tuesday, April 19  6:30 a.m.-7:00 p.m.
Wednesday, April 20 6:30 a.m.-1:30 p.m.

NEW!

Satellite Educational Symposia

The Satellite Educational Symposia will be held in conjunction with the AACR Annual Meeting. These CME-accredited events are supported by parties other than AACR and are not part of the official program of the AACR Annual Meeting. Symposia are evaluated by the Satellite Educational Symposia Committee to ensure that the educational content will enhance that provided by the official AACR scientific program. Additional information can be found at the specially marked counter located in Lobby J of the Convention Center.

Saturday, April 16 • 6:30 p.m.-8:30 p.m.
New Directions in Cancer Immunotherapy: A Cross-Tumor Exploration of Checkpoint Blockade
Sheraton New Orleans Hotel
Grand Ballroom, 5th Floor
www.peerviewpress.com/ImmunoOnc

Sunday, April 17 • 6:30 p.m.-8:30 p.m.
Immuno-Oncology Advances in Melanoma and Beyond: Insights for Research and the Clinic
Sheraton New Orleans Hotel
Grand Ballroom, 5th Floor
www.peerviewpress.com/Melanoma16
NEW!

Guide to Poster Sessions and Exhibits

Limited quantities of the Guide to Poster Sessions and Exhibits will be distributed at the entrances to the Poster and Exhibit Hall. Pick up a copy to locate posters, browse poster session topics, and learn about exhibiting companies and the products and services they offer.

Exhibitor Spotlight Theaters

Located in the Exhibit Hall, the Exhibitor Spotlight Theaters have been reserved by exhibiting companies to present their latest products and services in special one-hour sessions during exhibit hours. For a full list of presentations taking place in Spotlight Theaters A and B, please refer to the Guide to Poster Sessions and Exhibits, and the Annual Meeting App.

Explore!

Explore! is a fun way for attendees to interact with exhibitors and enter into a drawing for Amazon gift cards. Game cards can be found in your conference bag, in the registration area, and at the entrances to the Exhibit Hall. Attendees who wish to participate need to visit each participating booth to find the answers to questions on the game card. Once your card is complete, drop it off in one of the designated bins in AACRcentral (Booth #1230) or in the Coffee Break Areas in the hall. Winners will be notified after the meeting and prizes will be mailed shortly thereafter.

Exhibitor-Hosted Refreshment Breaks

Don’t miss the Exhibitor-Hosted Refreshment Breaks in the Exhibit Hall on Monday and Tuesday, April 18 and 19, starting at 1:30 p.m. An assortment of fun snacks will be available, compliments of the AACR exhibitors. Strategically located food and beverage stations are the ideal platform for interaction between attendees and exhibitors.

Food Court

The AACR will provide an area in the Exhibit Hall for all conference attendees to purchase lunch during poster and exhibit hours. The Food Court will be located in the back of the Poster and Exhibit Hall and will serve a variety of food and beverages.

AACRcentral

AACRcentral serves as a hub for information and services for attendees, and also as an event space for various programs. Open during Exhibit Hall hours, AACRcentral is located centrally in the Exhibit Hall in Booth #1230 and is home to general AACR information, the Amphitheater, CancerCareers.org Center, Associate Member Resource and Career Center, Membership Center, AACR Foundation, Publications, Scientific Programs, Scientific Review and Grants Administration, Science Policy and Government Affairs, MICR Networking and Resource Center, and the WICR Networking and Resource Center.
At AACRcentral, attendees can:

• Apply for AACR Membership, learn more about AACR member benefits, and check on the status of their membership.

• Participate in events organized by the Associate Member Council (AMC), Women in Cancer Research (WICR), Minorities in Cancer Research (MICR), and the Science Education Committee.

• Search for jobs and learn about other career development opportunities.

• Find additional information on AACR’s conferences, award programs, advocacy efforts, and the AACR Foundation.

• Pick up copies of Cancer Today and AACR’s peer-reviewed journals.

Cancer and Biomedical Research Career Fair

Scientists at all levels are invited to attend the AACR Cancer and Biomedical Research Career Fair on Saturday, April 16, from 9:00 a.m.-3:00 p.m. in Hall G of the Convention Center.

Building upon the success of AACR’s previous Career Fairs, the 2016 Career Fair will provide many opportunities for both job seekers and employers. The Career Fair will bring job seekers with highly specialized scientific skills (basic and translational researchers, clinicians, and epidemiologists) together with recruiters and potential employers representing academia, cancer centers, government, and industry. Employers will be able to speak with early-career scientists as well as more experienced scientists during the Career Fair and throughout the Annual Meeting at the CancerCareers.org Center in AACRcentral (Booth #1230). Registration for the Career Fair is free to job seekers.

100th Anniversary of Scientific Publishing

2016 marks the 100th anniversary of the AACR journal publishing program, as well as the 75th anniversary of the publication of our flagship journal, Cancer Research, which is the most frequently cited journal in the field. Please look for special exhibits and events at the Annual Meeting to celebrate these major milestones! A special display on the AACR’s centennial celebration of scientific publishing will be located in Lobby H of the Convention Center.

Annual Reception

All Annual Meeting registrants are invited to attend the Annual Reception on Sunday, April 17, from 8:30 p.m. to 11:30 p.m. in the Grand Ballroom of the Hilton New Orleans Riverside. Complimentary light refreshments will be served, and a live band will provide music for dancing. On Sunday evening, shuttle buses will run between all AACR hotels where busing is provided during the day and the Hilton New Orleans Riverside. Shuttle schedules will be posted in each hotel. Each registrant will receive a voucher for a complimentary beverage at the Annual Reception with his/her registration materials.

NCI Resource Room

The NCI Resource Room, located in Room 269 of the Convention Center, provides information and handouts related to new research initiatives and information on the grant application process, including Program and Review staff contacts. Program and Review staff of the NCI as well as Review staff from CSR will be available at the Resource Room for discussions and consultation throughout the meeting.
A list with details of specific NCI and CSR staff availability will be posted in the room.

Conferences can be scheduled to discuss individual grant/review questions. Interested members of the scientific community are encouraged to meet with Program or Review staff to clarify specific issues or other items of interest. New investigators are especially encouraged to meet with Program staff handling grant portfolios in their area of scientific interest. The Resource Room will be open from 9:00 a.m. to 5:00 p.m. Saturday through Tuesday, and from 9:00 a.m. until 12:00 p.m. on Wednesday.

**Scientist↔Survivor Program**

The AACR Scientist↔Survivor Program builds partnerships among the scientific and cancer survivor and patient advocacy communities worldwide. Launched in 1999 at the AACR Annual Meeting, the program was designed to meet the needs of both groups and offers them an unparalleled opportunity to meet and interact over several days in a stimulating and engaging atmosphere.

The program exposes advocates from around the world to special lay-language lectures, small group discussions, and other interactions that provide a solid background in cancer research. Survivor and patient advocates are able to keep abreast of recent advances in drug development and basic, clinical, and translational cancer research; and be exposed to the knowledge and dedication of cancer scientists. Scientists who participate in the program gain a more personal understanding of cancer’s impact on patients and their loved ones, are exposed to the key concerns of survivor and patient advocates, and become more cognizant of the vital role that advocates play in supporting cancer research.

Promoting the exchange of information on key aspects of cancer research, survivorship, advocacy, and public policy strengthens communication and enhances efforts to accelerate progress in the fight against cancer. The Scientist↔Survivor Advocate Poster Sessions will take place on Monday, April 18, from 8:00 a.m. to 12:00 p.m. and Tuesday, April 19, from 1:00 p.m. to 5:00 p.m. in the Poster and Exhibit Hall. For more information on the Scientist↔Survivor Program, visit the SSP Resource Room located in Room 264 of the Convention Center, or email ssprogram@aacr.org.

**AACR Advocacy Partners’ Pavilion**

Visit the Advocacy Pavilion in the Level Two Lobby of the Morial Convention Center to learn about the resources and services of non-profit cancer patient advocacy organizations. The pavilion is the ideal location to promote networking and the exchange of ideas between groups, patients, and healthcare professionals.

**Annual Meeting Webcasts**

Exclusive online streaming access to the audio and slides of scientific sessions presented at the AACR Annual Meeting 2016 is available for purchase by attendees. Webcasts will be available in late May 2016 and will include:

- Presentation slides synchronized with recorded audio presentations
- Speakers’ mouse movements captured and included in playback
• Availability on compatible mobile devices and smartphones such as iPad, iPod Touch, iPhone, and Android devices
• Presentations searchable by session title, presentation title, and speaker name
• Exclusive access to online content for 15 months after the Annual Meeting

Participation in the AACR Annual Meeting Webcast is left to the discretion of each speaker. As a result, some presentations may not be available for webcast, and some webcast presentations may not include all slides. Access is granted via individual username and password.

As in previous years, the AACR will make the Opening Ceremony, the plenary sessions, and the award lectures available free as streaming video to all interested users. To view a demo or purchase the webcasts, visit webcast.aacr.org.

Coat, Package, and Luggage Check Service

Coat, package, and luggage check service will be available for a nominal fee in Lobby J of the Convention Center on the following schedule:

- Friday, April 15: 12:00 p.m.-6:00 p.m.
- Saturday, April 16: 7:30 a.m.-7:00 p.m.
- Sunday, April 17: 6:30 a.m.-7:00 p.m.
- Monday, April 18: 6:30 a.m.-7:00 p.m.
- Tuesday, April 19: 6:30 a.m.-7:00 p.m.
- Wednesday, April 20: 6:30 a.m.-2:00 p.m.

Special Accommodations for Attendees

The American Association for Cancer Research recognizes the importance of making its educational activities available to all interested participants of the professional medical community. This AACR educational activity is designed to accommodate all attendees and fully complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. Registrants in need of auxiliary learning aids or special requirements for hotel accommodations, transportation, or other facilities connected with this meeting should contact the AACR Office in Room 398 of the Convention Center.

Code of Conduct, Policies, and Procedures

The AACR Annual Meeting 2016 will bring together over 19,000 academics, scientists, pharmaceutical industry representatives, and others from across the globe. In order for all participants to have the opportunity to gain the most benefit from this conference, the AACR is committed to providing a safe and secure environment. Please review the following policies and procedures for conference participants. By registering for the AACR Annual Meeting 2016, you agree to the following terms:

• The AACR prohibits intimidating, threatening, or harassing conduct of any kind during this program. This applies to all participants – attendees, presenters, exhibitors, staff, vendors, etc.
• The AACR is committed to a safe, hospitable, and productive environment for all participants of this program, regardless of age, disability, ethnicity, gender, religion, or sexual orientation.
• The AACR expects all participants to communicate professionally and constructively, handling dissent and disagreement with courtesy, dignity, and an open mind, being respectful when
providing feedback and being open to alternate points of view.

- Children under 12 years of age are not permitted in any scientific session, poster session, the Exhibit Hall, or any official event taking place at this program at any time. Children cannot be left unattended or unsupervised in the Convention Center.

- Cell phones and other electronic devices must be turned off or placed on “silent” mode before entering a session. Participants should step out of session rooms to make calls or send emails or texts as the back lighting on electronic devices is distracting to other participants.

- The AACR expects participants to share information about this program responsibly and clearly distinguish individual opinion from fact.

- No photographing or videotaping of the Exhibit Hall is allowed without the approval of AACR Staff. Photographing another exhibit or display items is strictly prohibited. The photographing of posters is permitted only with the express consent of the presenter.

- Participants must obey all applicable laws and regulations of the relevant government authorities while attending this program. Participants must comply with all applicable safety guidelines related to the conference venue.

- If a session room becomes too crowded, the AACR asks you to follow instructions provided by the AACR staff, Convention Center staff, or security. Instructions may include not standing against the walls, not blocking the aisles or doors, or being denied entry if the room becomes too crowded. The AACR and all participants are obligated to abide by the guidelines established by the Fire Marshall in the Convention Center. If a room reaches full capacity and there is not full cooperation, the Fire Marshall has the authority to delay or terminate the conference.

- The AACR encourages responsible drinking for those drinking alcohol. Beer and wine will be offered at some official events throughout this program. Alcohol will not be served to anyone under the age of 21. Alcoholic beverages are allowed in specific areas and must not be taken out of these areas.

**Lost and Found**

Attendees may contact the AACR Office in Room 398 in the Convention Center for any lost items.

**No Smoking Regulation**

Smoking is prohibited in all areas of the Morial Convention Center and at sessions and social events held in other venues.

**Notice of Photographer and Videographer on Premises**

A professional photographer and videographer may be on site to document AACR Annual Meeting events and activities between April 15 and April 20, 2016. Photographs and video footage are the sole property of AACR. By registering for and attending these events, attendees understand that AACR may use their likenesses for future promotional purposes. If you do not wish to be photographed, please notify the photographer and/or videographer on site.
Online Itinerary Planner and Annual Meeting App

The Annual Meeting program is subject to change. Updates will be available in the online Itinerary Planner and the Annual Meeting App, along with full session details, including complete titles and author listings for abstracts in poster sessions and minisymposia. To access the Itinerary Planner and download the Annual Meeting App, visit www.AACR.org/AACR2016.

Continuing Medical Education (CME)

Accreditation Statement

The American Association for Cancer Research (AACR) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education activities for physicians.

Credit Designation Statement

AACR has designated this live activity for a maximum of 44.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Credit certification for individual sessions may vary, dependent upon compliance with the ACCME Accreditation Criteria. The final number of credits may vary from the maximum number indicated above.

Claiming CME Credit

Physicians and other health care professionals seeking AMA PRA Category 1 Credit(s)™ for this live continuing medical education activity must complete the online CME Request for Credit Survey by Wednesday, June 1, 2016. Certificates will only be issued to those who complete the survey. The Request for Credit Survey will be available on the AACR website at www.aacr.org/AM16cme and will be sent by email.

Statement of Educational Need, Target Audience, and Learning Objectives

New technologies, scientific advances, and exponential developments in the field of translational cancer medicine have led to changes in oncology practice and significant patient benefit. By bridging the gap between what physicians understand about cancer biology and the clinical applications, this meeting aids basic researchers, physicians, and clinician-scientists in obtaining, synthesizing, and integrating the most cutting-edge research. This exposure is essential for the implementation of best practices, such as the most current molecular-based tests to aid in the diagnosis, treatment, and prevention of cancer. Through this participation translational and clinical investigators, and physicians, will obtain a better understanding of the wider context of their research in the “bench-to-bedside” continuum.
After participating in this CME activity, participants will be able to:

1. Identify technological advances and tools to accelerate progress in cancer research, improve early detection, and early intervention, with the ultimate goal of extending patients' lives and improving their quality of life.

2. Explain the integration of information from basic and translational sciences to drug development, clinical research, and application of new findings.

3. Integrate the use of biomarkers and other indicators to improve patient selection (or stratification) for clinical trials.

4. Incorporate the latest research findings regarding therapies and treatment options including immunotherapy in a variety of cancer types in order to improve patient outcomes.

5. Formulate new strategies that will further scientific and clinical research efforts towards the prevention and early detection of cancer.

6. Develop collaborations amongst colleagues to advance the cause of diagnosing, treating and preventing cancer.

Disclosure Statement
It is the policy of the AACR that the information presented at AACR CME activities will be unbiased and based on scientific evidence. To help participants make judgments about the presence of bias, AACR will provide information that Program Committee members, speakers, and abstract presenters have disclosed about financial relationships they have with commercial entities that produce or market products or services related to the content of this CME activity. This disclosure information will be made available in the meeting app, online planner, or conference website.

Acknowledgment of Financial or Other Support
This activity is supported by educational grants that will be disclosed at the activity.

Questions About CME?
Please contact the Office of CME at 215-440-9300 or cme@aacr.org.
