Assignment of Space

During the AACR Annual Meeting 2018 an on-site selection was conducted. Exhibitors with 40+ priority points were invited to pre-select their booth for the 2019 Annual Meeting. Those exhibitors have already received confirmation of booth space. For those exhibitors not eligible to participate in the advance sales process, booth space will be assigned on a priority point system basis during the week of October 8, 2018. Any applications received on or after October 8, 2018 will be assigned on a first-come, first-served basis. Assignments will only be made for those exhibitors whose applications are accompanied by their appropriate deposit. All confirmations will be issued the week of October 15, 2018.

Priority points are established as follows:

- One point for each 100 square feet of space.
- One point for each prior year of participation.
- Ten points for Major Sustaining Members who have paid their 2018 dues.
- Five points for Sustaining Members who have paid their 2018 dues.
- Five points for every $25,000 in AACR Annual Meeting 2019 sponsorship
- Twenty-five points for $100,000 in AACR Annual Meeting 2019 sponsorship – max number of sponsorship points allowed

Note: When companies merge or are involved in a buyout, the new company will receive the highest number of points that have been earned by either company. Applications for exhibit space must be made on the Official Application Form. Exhibitors wishing to avoid assignment of booth space adjacent to a competitor should indicate this on the application. Careful consideration will be given to all requests but cannot be guaranteed.

Guide to Poster Sessions and Exhibits - Importance of Deadlines

Exhibitors are expected to meet deadlines when submitting information to ensure it is correct and current for the Guide to Poster Sessions and Exhibits. This directory contains all information pertaining to exhibitors including Spotlight Theater titles and speakers. The deadline for all material to be received is January 21, 2019. This is to ensure all information is correctly submitted to avoid any potential issues with the on-site distribution material.

Application and Floor Plan

Exhibit space may be reserved at https://aacr19.exh.mayyourshow.com/boothsales
Click the ‘I Need Space’ button to begin the process. A completed application for exhibit space using the online system, along with appropriate payment, must be received before space will be assigned. Booth confirmations will be emailed to approved Exhibitors in a reasonable timeframe after the application submission.

The most updated floor plan can be found on the Exhibit show section of the AACR Annual Meeting webpages at www.AACR.org.

Eligibility Requirements

The AACR is committed to providing a quality exhibition. Exhibits will be limited only to the company and the product(s) listed on the application and are subject to approval by the AACR Exhibits Committee for accepted and acknowledged effectiveness and commercial availability. Only the sign of the company whose name appears on the contract may be placed in the booth or appear on any printed list of exhibitors. The AACR reserves the right to accept or reject a potential exhibitor based on its assessment of whether that company or organization’s products and/or services are relevant to AACR members and their meeting attendees. All exhibits will be reviewed onsite.

Full documentation as to the extent and results of any research done on the exhibited items must be available at the company’s booth throughout the AACR Annual Meeting. All exhibited items must comply with local, state, and FDA regulations, and must be related to cancer research.

Non-Profit Exhibitors

Exhibit space at the non-profit rate is limited. The AACR Exhibits Committee has the responsibility of approving applications for not-for-profit exhibitors. The organization must be a government entity or must be recognized by the IRS as a 501(c)3 charitable organization. The organization must have demonstrated support for cancer research through financial contributions or provisions of infrastructure. The organization may not offer a product or service for sale on the exhibit floor.

New Exhibitors

Companies applying for exhibit space that have never exhibited at the AACR Annual Meeting will need to go through an approval process. The potential exhibitor is required to submit an application for exhibit space, a product summary form, and company literature, which is sent to the AACR Exhibits Committee. The booth chosen by the company is put on hold during the approval period. The company is notified of the Committee’s decision in a timely manner. Upon approval, the application is processed and the booth is released to the company. Upon rejection, the application is denied and the booth becomes available.

Booth Relocation Policy

Every effort will be made not to relocate an exhibitor’s booth. However, should relocation be deemed necessary, the exhibitor will be notified and offered the opportunity to relocate their exhibit or cancel with no further penalty.
**Payment Policy**

The exhibitor agrees to enclose with the application for booth space a deposit of 50% of the total fee. Payment can be made by either credit card (AMEX, Visa or MasterCard) or check in U.S. dollars, drawn on a U.S. bank payable to the American Association for Cancer Research. All payments should be sent to:

AACR  
615 Chestnut Street, 17th Floor  
Philadelphia, PA 19106  
Attn: Finance Department

If you require wire transfer instructions, please email exhibits@aacr.org.

The final balance will be due 30 days from date of invoice or by January 21, 2019. Exhibitors who are not paid in full will not be listed in the Guide to Poster Sessions and Exhibits or in the mobile app. Those not paid in full by Thursday, March 28, 2019 will not be able to set-up their exhibit.

**Cancellations/Reductions**

Notification of booth space cancellation or space reduction must be submitted in writing and received on or before the following dates. Prior to September 3, 2018, cancellation will be accepted with no penalty. The following fees will apply to any cancellations or reduction in exhibit space:

- **Prior to September 3, 2018** – Cancellation/Reduction of Space will be accepted with no penalty
- **September 3 through October 5, 2018** – Exhibitor is refunded entire payment less $500.00 per booth space.
- **October 8 through November 12, 2018** – Exhibitor is responsible for 50% of the total booth fee.
- **On or After November 12, 2018** – Exhibitor is responsible for the entire booth fee. No Refund will be issued.

*Exhibitors that change the size of their exhibit space are not guaranteed the originally assigned location and are subject to relocation by the AACR and to the cancellation/reduction policy as stated above.

**No Show Policy**

In the event that an exhibiting company has not arrived on the exhibit floor by 5:00 p.m. on Saturday, March 30, 2019 and has not been granted pre-approval for late set-up, the AACR reserves the right to use the vacant exhibit space as it sees fit, with no obligation to issue a refund. Any exhibit materials, either in the vacant booth or on the loading dock, for that exhibit space, will be placed in storage at the exhibitor’s expense. Substitute booth space will be available at the discretion of the AACR. The exhibitor is responsible for all fees associated with removing freight from storage.

If an exhibitor requires additional time to set up beyond the hours listed they must obtain permission from Management. Therefore, should special circumstances arise and additional time is required for set up, please submit a request to the exhibits team at exhibits@aacr.org. Note: All exhibit booths must be show ready by 5 p.m. on Saturday, March 30.

**Subletting and/or Sharing of Exhibit Space**

No exhibitor may sublet, share, apportion, or assign all or any part of its exhibit space with or to another organization or business unless prior written consent has been obtained from AACR. If the exhibitor submits a written request prior to AACR Annual Meeting 2019, AACR, at its sole discretion, may grant exceptions to the following: a recent merger/acquisition (since January 1, 2017); divisions of the same company and companies co-marketing a product. Exhibitors must provide to AACR written documentation of the particular relationship. AACR retains the right to remove from the exhibit halls any company or organization without a signed contract. Only those companies and organizations that are the authorized occupants of each exhibit space will be entitled to exhibitor badges and only those authorized companies will be included on published exhibitor lists.

**Unofficial Vendors**

Please be aware that you may be contacted by telephone by companies or hotels claiming to be the official AACR Annual Meeting 2019 housing providers or magazine advertisers. Neither AACR nor CMR will call you to solicit reservations. You may receive emails regarding housing, but note that the only official emails will come from an email address ending in AACR.org or CMR. All lodging for the AACR should be arranged using the links provided through the Exhibitor Dashboard or by calling the phone numbers on the AACR Annual Meeting 2019 page. If you are unsure of who has contacted you regarding your hotel reservations or an advertising opportunity, or if one of these scammers contacts you, please notify AACR as soon as possible by emailing exhibits@aacr.org.

**Late Applications**

Exhibitors who apply for booth space after January 21, 2019 or exhibitors who have not sent in their final booth payment by that date will not be listed in the Guide to Poster Sessions and Exhibits.

Exhibitor Advisory Committee (EAC)
The AACR enlists the help and support of industry by maintaining an Exhibitor Advisory Committee (EAC) consisting of elected industry professionals who serve in an advisory capacity to the AACR. The Committee’s goal is to foster communications and corporation between exhibitors and the association. Members of the EAC meet to find ways to improve the exhibits portion of the AACR Annual Meeting.

Committee members serve a renewable three-year term. Members should represent a broad cross-section of the exhibitor population. Company representatives interested in serving on the Exhibitor Advisory Committee should send requests to exhibits@aacr.org.

All exhibitors are invited to contact any EAC member with concerns, suggestions or ideas. Please contact the Exhibits Team at exhibits@aacr.org to request EAC member contact information.

The following are your 2019 Exhibitor Advisory Committee Representatives.

AACR Exhibits Committee

The AACR would like to thank the Exhibits Committee for their support of the AACR and the AACR Annual Meeting Exhibit Show. This committee is responsible for ensuring the content displayed by exhibiting companies meets the standards set forth by the AACR. All companies new to the AACR Annual Meeting Exhibit Show must go through a very thorough review process by submitting an application to exhibit, along with supporting documents. Please contact the Exhibits Team at exhibits@aacr.org, should you have any questions regarding this process or members of this committee.

Guide to Poster Sessions and Exhibits

The Guide to Poster Sessions and Exhibits is a valuable resource for attendees to navigate the Exhibit Hall. Included with your booth fee, the AACR includes a complimentary 50-word description, two primary product/service categories and the alphabetical and numerical listing for your exhibit in the Guide to Poster Sessions and Exhibits. The booth description and product/service categories are important as they will give your company additional exposure, will describe what the attendee might learn when they visit your booth, and will assist the attendees in locating companies on the exhibit hall floor. If the description is not provided, ONLY the name of the exhibiting company and booth number will appear in the Guide to Poster Sessions and Exhibits. Don’t miss the opportunity to maximize your presence at the AACR Annual Meeting; include your description with your application.

Failure to abide by such rules and regulations may result in forfeiture of all monies paid or due the AACR under the terms of this agreement.

General

All matters and questions not covered by these regulations are at the discretion of AACR Exhibits Management (Management). Management may amend these regulations at any time, and all amendments that may be made shall be equally binding, upon publication on all parties affected by them as the original regulations.

Violations

Violation of any of these regulations on the part of the exhibitor, its employees, or agents shall annul the right to occupy the space and such exhibitor will forfeit to Management all monies, which may have been paid. Upon evidence of violation, Management may re-enter and take possession of the space occupied by the exhibitor and may remove all persons and goods at the exhibitor’s risk. The exhibitor shall pay all expenses, or damages, which Management may incur.

Enforcement of Rules and Regulations Policy: Each exhibitor shall agree to observe all policies. Violators will incur one penalty for each regulation violated.

1. The first violation of any rule or regulation detailed on the Application and Contract for Exhibit Space, in the Exhibitor Service Kit, or any subsequent amendments will result in the company receiving a written warning.
2. A second violation will result in forfeiture of priority points for exhibiting for that year.
3. A third violation will result in one year’s suspension of exhibit privileges at any AACR meeting or exposition.

Notwithstanding the foregoing, the AACR and AACR Exhibit Management reserve the right to remove any exhibitor or exhibition, in their sole discretion, for the best interests of the exhibitors, and attendees.
