Annual Meeting 2019 App
Additional Features: Social Sharing, Adding to Schedule, Selecting Favorites, and Taking Notes

The AACR Annual Meeting App offers several special features:

1. **Share Button.** Each Session and Presentation View contains a Share button at the top of the page on the left side. Touch the button to share the session or presentation information with your network via Facebook, Twitter, or e-mail.

2. **Add to Schedule Button.** Each Session and Presentation View contains a Schedule button at the top of the page on the right side. Touch the button to add the session or presentation to your itinerary. To view your itinerary, touch the Schedule button in the bottom menu.

3. **Add to Favorites Button.** Each Session and Presentation View contains a Favorites button at the top of the page on the right side. Touch this button to mark this session as one of your Favorites.
4. **Take Notes Button.** Each Session and Presentation View contains a Take Notes button at the top of the page on the right side. Touch the button to enter a note and touch the “Done” button when you are finished.

To export your notes, touch the “More” button and then touch the “Notes and Stars” button (see below). Touch the “Email” button to e-mail your notes and your list of Favorites.

To export your notes, touch the “More” button and then touch the “Notes and Stars” button (see below). Touch the “Email” button to e-mail your notes and your list of Favorites.
5. **Identifying and Filtering Flagged Sessions/Presentations.** When a session or presentation has been added to My Schedule, marked as a Favorite, or annotated, it is marked with an orange icon. In addition, you can use the Filter icon to filter your browse results by these selections.
