Careful consideration will be given to all requests but cannot be guaranteed.

Upon approval the application is processed and the booth is released to the company. Upon rejection, the application is denied and the booth is released back into inventory.

Furthermore, the exhibitor shall at all times protect, indemnify, save, and keep harmless the AACR and the occupied convention center against and from any and all loss, cost, damage, liability, or
expense which arises out of or from, or by reason of any act or omission by the exhibitor, his employees, or agents.

Rules and regulations pertaining to union labor and the convention center will appear in your Exhibitor Service Kit.

**Insurance**
Exhibitors wishing to insure their exhibit materials, goods and/or wares against theft, damage by fire, accident, or loss of any kind must do so at their own expense. The AACR does not carry insurance of any sort on the exhibit or other property of Exhibitors and the AACR assumes no liability for loss or damage thereto from any cause. Each exhibiting company is responsible for obtaining insurance (Liability and Fire/Theft) in such amounts as deemed appropriate to comply with its obligations hereunder and for its own protection.

**Exhibitor Appointed Contractor (EAC)**
All Exhibitors utilizing an Exhibitor Appointed Contractor (EAC) must notify the AACR of all EAC services well in advance of the Show. Official Notification of EAC Forms will be in the Exhibitor Service Kit and are due by March 13, 2020.

If an exhibitor is using an EAC, it is the exhibitor’s responsibility to submit the Exhibitor Appointed Contractor Form and valid certificate of insurance by March 13, 2020. Insurance should include:
- Commercial general liability coverage, product liability coverage, and broad property damage endorsement with combined and single limits of not less than $1 million per occurrence.

- Naming of the exhibiting company/organization and booth # that they are representing in the description area; if said information is not included, the certificate of liability insurance will NOT be accepted by AACR

Failure to provide these documents to the AACR by the indicated due dates will be cause to exclude the EAC from participation at the Show.

EACs may not solicit business in the exhibit hall at any time. The exhibiting company is responsible for the actions of its EAC and all exhibitor rules apply to this sub-contractor of the exhibitor. The EAC must provide worker names for each day at the exhibit hall in advance to San Diego Convention Center and Security Company and check in at the convention center/security checkpoint upon arrival to receive installation/dismantling passes allowing access to the exhibit hall. These passes are typically in the form of wrist bands that must be worn on the wrist, for security reasons. Workers without properly displayed exhibit hall access passes will be prohibited from work during set-up.

The AACR reserves the right to remove any EAC or its employees who do not comply with AACR exhibitor rules or the operating rules of the San Diego Convention Center. The AACR reserves the right to prohibit EAC participation at the AACR Annual Meeting, both at San Diego Convention Center and at future exhibit locations, at the sole discretion of the AACR, when such actions are necessary.

**Drayage and Shipping**
Freeman will control access to the trade show floor, which includes access from the loading docks and/or all doorways into an exhibit facility. This will help to provide a safe and orderly move-in/move-out. Unloading or reloading of any freight into the exhibit hall by any and all private vehicles and contracted carriers will be handled by Freeman. Rates for material handling services will be included in the Exhibitor Service Kit. Freeman will receive all crated shipments up to 30 days in advance and deliver them to the booths for installation, remove empty crates from the exhibit area before show time and return same to exhibit booths upon close of the AACR Annual Meeting.

**Storage of Crates and Boxes**
Fire regulations prohibit storing product, literature, empty packing containers, or packing material behind back drapes or under
draped tables. In most cases, however, exhibitors may store a limited supply of literature or product within the booth area, so long as these do not impede access to utility services, create a safety problem, or appear unsightly. Accessible storage for exhibit materials will be available from Freeman for a fee. Detailed information regarding accessible storage will be available in the Exhibitor Service Kit.

**Porter Service**
In an effort to maintain a clean and organized exhibit hall, exhibitors who will be distributing giveaways and providing food and beverage/hospitality in their booth must order porter service through Freeman, the general service contractor. Porter service is exclusive to Freeman and includes monitoring the exhibit booth to empty wastebaskets and collect empty boxes during show hours. Standard wastebasket emptying does not include removal of empty boxes. Empty boxes may not be placed in the exhibit hall aisles, behind or adjacent to columns, or in trashcans in the exhibit hall during show hours. If an exhibitor does not properly handle empty boxes, Freeman will remove the boxes at the exhibitor’s expense.

**Security**
Peripheral watchmen shall be furnished by AACR Management to be on duty in the exhibit area when exhibits are closed, but the safekeeping of the exhibitor’s property shall remain the responsibility of the exhibitor. The AACR, the San Diego Convention Center, the city of San Diego, or the state of California, will not be responsible for loss of any material by or for any reason. Each exhibitor is recommended to purchase a portal-to-portal rider available at a nominal cost on their own insurance policy, protecting them against loss through theft, fire, damage, etc. Forms to order additional security in booths will be included in the Exhibitor Service Kit.

**Electrical Safety**
All wiring on booths or display fixtures within an exhibitor’s booth must meet underwriters’ rules and pass standard fire department inspection applicable under all appropriate state, county, city, and the San Diego Convention Center Policies and Procedures. This applies to construction, not pre-wired equipment.

**Fire Protection**
All materials used in display construction or decorating will be made of fire retardant materials and be certified as flame retardant. Samples should be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate must be available for inspection. Exhibitor is responsible for compliance with life/safety and fire codes.

All aisles and exhibits must be kept clear at all times, and fire stations and fire extinguishers must not be covered or obstructed. To minimize fire hazard, no storage of any kind will be permitted behind an exhibit booth.

**Telephone and Internet Services**
Telephones and internet service in the exhibit hall is supplied exclusively by the San Diego Convention Center. Information on ordering these services will be available in the Exhibitor Service Kit.

**Food and Beverage**
Food service is permitted at the exhibitor’s booth with AACR approval. All food service arrangements must be coordinated through the exclusive provider of food and beverages at the San Diego Convention Center. AACR prohibits the distribution of alcoholic beverages and popcorn. Information on ordering these services will be available in the Exhibitor Service Kit.
