MEG-AACR EPIDEMIOLOGY CONSORTIUM MEETING ROOM
at the AACR ANNUAL MEETING 2020

MEG-AACR is now accepting applications from epidemiology consortia for meeting space at the AACR Annual Meeting 2020. A meeting room will be available, **free-of-charge**, during the off-hours of the meeting, beginning **Saturday, April 25 through Tuesday, April 28** from **5 p.m.-10 p.m.** (meeting must end at 10:00 p.m.); the **exception** is that the room will be **unavailable** during the **MEG Town Hall Meeting and Reception**, **Monday**, **April 27**, **2020**, **6:30-8:00 p.m.** Should one wish to schedule after the MEG Town Hall on **April 27**, the room will become available again at **8:30 p.m.**

Space is available for a maximum of **20 participants** in **one-hour** increments for a **maximum** of **two hours**, and will be assigned as available. This request is for space only; no food or drink (other than a water station) or A/V support outside of an LCD projector and screen will be available. The sponsor is responsible for providing a PC/laptop.

A MEG member must sponsor all requests, and all attendees must be registered for the AACR Annual Meeting 2020. After the consortia meeting, a brief report (two pages maximum) of the meeting and a list of all attendees with contact information will need to be submitted to MEG and AACR **no later than** **May 20, 2020**. The contact information will be used to cross-reference against meeting registration and may also be used for a one-time solicitation of non-members for MEG and/or AACR membership. If the meeting leads to a publication, acknowledgement of meeting support by MEG-AACR is suggested.

Applications will be accepted on a rolling basis through April 9, 2020 with priority determined by the MEG Steering Committee based on supporting rationale, availability of space, and order in which the applications were received. All applications will receive a response. Please send the following information to meg@aacr.org:

1. Name of consortium
2. Is this a new or established consortium?
3. Name of sponsor
4. Estimated attendance
5. Please list your **top three** time choices in rank order **– IMPORTANT!**
6. Please provide a brief description of the goal(s) of the meeting
7. Please provide a brief supporting rationale (1/2 page max).
