AACR Virtual Annual Meeting II

June 22-24, 2020

The American Association for Cancer Research (AACR) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education activities for physicians.

AACR has designated this internet live activity for a maximum of **201.75 AMA PRA Category 1 Credit(s)™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Other healthcare professionals, such as nurses, pharmacists, and physician-assistants, may be able to use their participation at CME-designated activities to satisfy their licensing requirements. See below for more information on how to request a Certificate of Participation.

How do attendees apply for credit?

All individuals requesting continuing medical education credits must complete a CME Request for Credit Survey. The Request for Credit Survey is accessible by logging into the AACR Annual Meeting 2020 Program Planner at www.aacr.org/am20planner. Registrants log on using their MyAACR Credentials; click "Forgot Password?" link for assistance. Claim credit by clicking on "My Credit Cart" on top right, then "Import Sessions from Itinerary."

Who can receive CME credits for attending the meeting?

Physicians (M.D. and D.O.) can receive a CME Certificate by submitting a CME Request for Credit Survey. Non-physicians may request a Certificate of Participation by completing a CME Request for Credit. Participation hours in this educational event may satisfy licensing requirements for certain specialties.

How do attendees apply for Maintenance of Certification points?

Participation in a CME activity enables the participant to earn American Board of Internal Medicine (ABIM) or American Board of Otolaryngology - Head and Neck Surgery (ABOHNS) Maintenance of Certification (MOC) points equivalent to the number of CME credits claimed for the activity. To receive ABIM or ABOHNS MOC, after the survey participants must select "Request MOC Points Here" and complete all questions. Once these steps are completed, AACR will submit your completion information via the ACCME's Program and Activity Reporting System for the purpose of granting MOC points.

What is the deadline for submitting a credit survey?

Evaluation surveys and CME credit requests must be received by **Wednesday, September 30, 2020**.

When will I receive my CME Certificate or my Certificate of Participation?

After completing the Request for Credit Survey, you may print or email your certificate online.

Questions about CME?

Please contact the AACR Office of CME at (215) 440-9300 or cme@aacr.org.
