The AACR Virtual Exhibitor Rules and Regulations for 2021 are a binding and integral part of the exhibitor’s contract with AACR. The policies and procedures may differ greatly from other meetings or trade shows. We encourage you to read them in their entirety.

I. Terms and Conditions

By submitting the AACR Annual Meeting 2021 Application and Contract for Virtual Exhibit Space (Application), the company agrees to abide by all rules (Terms), requirements, restrictions and regulations as set forth in the Exhibitor Prospectus, the Rules and Regulations enclosed herewith, and any regulations especially designated by the AACR. Failure to abide by such rules and regulations may result in forfeiture of all monies paid or due the AACR under the terms of this agreement.

All exhibit matters and questions not covered by these AACR Exhibitor Rules and Regulations are subject to the decision of AACR. These AACR Rules and Regulations may be amended at any time by AACR and all amendments shall be equally binding on all parties affected by them as the original regulations.

General

All matters and questions not covered by these regulations are at the discretion of AACR Exhibits Management (Management). Management may amend these regulations at any time, and all amendments that may be made shall be equally binding, upon publication on all parties affected by them as the original regulations.

Exhibitor and AACR agree that any funding provided by Exhibitor shall not be used for gifts, promotional items, prohibited meals, entertainment or recreation for healthcare providers or their guests.
Violations

Violation of any AACR Exhibitor Rules and Regulations by the exhibitor or its employees or agents may, at the opinion of Management, result in forfeiture of the exhibitor’s right to participate in the AACR Annual Meeting 2021, and such exhibitor shall forfeit to AACR all monies paid or due. Upon evidence of substantial violation, Management may remove the virtual exhibit from the virtual meeting site. The exhibitor shall pay all expenses and damages that AACR may incur through the enforcement of this rule. Failure to adhere to the AACR Exhibitor Rules and Regulations will result in immediate penalties during the virtual meeting. AACR strictly enforces the rules and regulations and will make all parties responsible for upholding them.

Violations of AACR’s rules and regulations will result in the following penalties:

1. The first violation will result in the company receiving a written warning.
2. A second violation will result in forfeiture of priority points for exhibiting for that year or change of preferred exhibitor status. Management may, at its discretion, deem an exhibitor ineligible for preferred exhibitor space rate for the next year due to violations of current year AACR Exhibitor Rules and Regulations.
3. A third violation will result in one year’s suspension of exhibit privileges at any AACR meeting or exposition.

Cancellation of Exposition

It is mutually agreed that in the event of cancellation of the AACR Annual Meeting due to fire, strikes, government regulations, or causes, which would prevent its scheduled opening or continuance, then and thereupon this agreement will be terminated, and the AACR shall determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after due consideration of expenditures and commitments already made.

Sharing Contact Data

While in the virtual meeting, attendees clicking on any of the participating company links or tiles are sharing their contact data with that exhibiting company and, therefore, consent to be contacted by that exhibiting company. If you have questions on how a specific company uses your contact data, please contact them directly.

Code of Conduct

AACR is dedicated to providing a safe, productive, and welcoming environment for all meeting participants and AACR staff. All participants, including, but not limited to, attendees, speakers, exhibitors, AACR staff members, vendors, and all others are expected to abide by this Virtual Programs Code of Conduct. This Policy applies to all AACR meeting-related events, including those sponsored by organizations other than AACR but held in conjunction with AACR events, on public or private platforms.

Eligibility Requirements

The AACR is committed to providing a quality exhibition. Exhibits will be limited only to the company and the product(s) listed on the application and are subject to approval by the AACR Exhibits Committee for accepted and acknowledged effectiveness and commercial availability. Only the company whose name appears on the contract may appear on any list of exhibitors. The AACR reserves the right to accept or reject a potential exhibitor based on its assessment of whether that company or organization’s products and/or services are relevant to AACR members and their meeting attendees.

Full documentation as to the extent and results of any research done on the exhibited items must be available at the company’s virtual booth throughout the AACR Annual Meeting 2021. All exhibited items must comply with local, state, and FDA regulations, and must be related to cancer research.
