

15-Minute Product Demo Presentation Upload Instructions

We will be using the Freeman platform Orchestrate to capture videos for the on-demand 15-Minute Product Demos. This will be opening **March 5th**. During the Week of March 8th, you will receive an email from exhibits@aacr.org with instructions and log in credentials.

You must submit your video presentation no later than **5:00 p.m. U.S. ET on Friday, March 12**. Due to the large volume of video presentations that must be processed for broadcast, **this submission deadline cannot be extended**.

Presentation videos must be saved in .mp4 or .mov format must be under 2GB.

Important Note about File Names:

- When naming your file, please keep the length **under 30 characters** and **do not** include special symbols, as these symbols will prevent your presentation from uploading through the submission website.
