Please join us at the AACR Annual Meeting 2022

The Premier Educational and Networking Event for Specialists in the Field of Cancer Research

Come join us in celebrating the American Association for Cancer Research’s 115th Anniversary of being the oldest and largest cancer research organization in the world. We invite you to participate in the AACR Annual Meeting 2022 in New Orleans LA. This is the world’s preeminent event where the latest and most exciting discoveries in cancer research are presented. This forum provides a unique opportunity for members of the worldwide cancer research community to discover, interact, and collaborate.

The mission of the AACR is to prevent and cure cancer through research, education, communication, and collaboration. Through its programs and services, the AACR fosters research in cancer and related biomedical science; accelerates the dissemination of new research findings among scientists and others dedicated to the conquest of cancer; promotes science education and training; and advances the understanding of cancer etiology, prevention, diagnosis, and treatment throughout the world.

Join us in New Orleans as we kick off a year-long commemoration of the AACR’s leadership in cancer science and medicine over the past 115 years. We are marking this milestone with a series of special programs under the theme “The Driving Force to Eradicate Cancer.” Anniversary events during the AACR Annual Meeting will include an exciting video and live presentation that celebrates AACR’s pivotal role at the forefront of the major advances against cancer and takes a bold look into the future of the field. In addition, special distinguished public service awards will recognize key contributions in support of the AACR’s mission. Further, an updated “Landmarks in Cancer Research” pavilion in the convention center will celebrate the rich history of cancer research, with a special focus on the breakthroughs of the past five years and commentaries from thought leaders on new frontiers for the cancer research community.

Assignments will only be made for those exhibitors whose applications are accompanied by the required deposit.

Applications for exhibit space must be made on the Official Application Form. Exhibitors wishing to avoid assignment of booth space adjacent to a competitor should indicate this on the application. Careful consideration will be given to all requests but cannot be guaranteed.

### Application and Floor Plan
Exhibit space may be reserved at [https://aacr22.exh.mapyourshow.com/boothsales](https://aacr22.exh.mapyourshow.com/boothsales). A completed application for exhibit space using the online system, along with appropriate payment, must be received before an application is approved and space is assigned. Booth confirmations will be emailed to approved Exhibitors in a reasonable timeframe after the application submission.

The most updated floor plan can be found on the Exhibit show section of the AACR Annual Meeting webpages at AACR.org.
Eligibility Requirements

The AACR is committed to providing a quality exhibition. Exhibits will be limited only to the company and the product(s) listed on the application and are subject to approval by the AACR Exhibits Committee for accepted and acknowledged effectiveness and commercial availability. Only the sign of the company whose name appears on the contract may be placed in the booth or appear on any printed list of exhibitors. The AACR reserves the right to accept or reject a potential exhibitor based on its assessment of whether that company or organization’s products and/or services are relevant to AACR members and their meeting attendees. All exhibits will be reviewed onsite.

Full documentation as to the extent and results of any research done on the exhibited items must be available at the company’s booth throughout the AACR Annual Meeting. All exhibited items must comply with local, state, and FDA regulations, and must be related to cancer research.

Non-Profit Exhibitors

Exhibit space at the Non-Profit rate is limited. The AACR Exhibits Committee has the responsibility of approving applications for not-for-profit exhibitors. The organization must be a government entity or must be recognized by the IRS as a 501(c)3 charitable organization. The organization must have demonstrated support for cancer research through financial contributions or provisions of infrastructure. The organization may not offer a product or service for sale on the exhibit floor.

The Non-Profit rate is only available to booths in the Non-Profit Section. When space is no longer available in the Non-Profit Section, or organization chooses to be placed in another location on the floor, full exhibit rates will apply. Any organization reserving two or more booths in the Non-Profit Section will pay the Non-Profit rate for the first booth and full rate for any additional space.

New Exhibitors

Companies applying for exhibit space that have never exhibited at the AACR Annual Meeting will need to go through an approval process. The potential exhibitor is required to submit an application for exhibit space, a product summary form, and company literature, which is sent to the AACR Exhibits Committee. The booth chosen by the company is put on hold during the approval period. The company is notified of the Committee’s decision in a timely manner. Upon approval, the application is processed and the booth is released to the company. Upon rejection, the application is denied and the booth becomes available.

Booth Relocation Policy

Every effort will be made not to relocate an exhibitor’s booth. However, should relocation be deemed necessary, the exhibitor will be notified and offered the opportunity to relocate their exhibit or cancel with no further penalty.

Payment Policy

The exhibitor agrees to enclose with the application for booth space a deposit of 50% of the total fee. Payment can be made by either credit card (AMEX, Visa or MasterCard) or check in U.S. dollars, drawn on a U.S. bank payable to the American Association for Cancer Research. All payments should be sent to:

AACR, 615 Chestnut Street, 17th Floor, Philadelphia, PA 19106, Attn: Finance Department. If you require wire transfer instructions, please email exhibits@aacr.org.

The final balance will be due 30 days from date of invoice or by January 24, 2022. Exhibitors who are not paid in full will not be listed in the Exhibitor Directory or in the mobile app. Any company with an outstanding balance and not paid in full by Thursday, April 8, 2022 will not be able to set-up their exhibit.

Cancellations/Reductions

Notification of booth space cancellation or space reduction must be submitted in writing and received on or before the following dates. Prior to September 14, 2021, cancellation will be accepted with no penalty. The following fees will apply to any cancelations or reduction in exhibit space:

- **Prior to September 14, 2021** – Cancellation/Reduction of Space will be accepted with no penalty.
- **September 14 through October 5, 2021** – Exhibitor is refunded entire payment less $500.00 per booth space.
- **October 5 through November 9, 2021** – Exhibitor is responsible for 50% of the total booth fee.
- **On or After November 9, 2021** – Exhibitor is responsible for the entire booth fee. No Refund will be issued.

*Exhibitors that change the size of their exhibit space are not guaranteed the originally assigned location and are subject to relocation by the AACR and to the cancellation/reduction policy as stated above.
Guide to Poster Sessions and Exhibits - Importance of Deadlines

Exhibitors are expected to meet deadlines when submitting information to ensure it is correct and current for The Exhibitor Directory as well as the Guide to Poster Sessions and Exhibits. These directories contain all information pertaining to exhibitors including Spotlight Theater titles, speakers, and abstracts, etc. The deadline for all material to be received is January 24, 2022. This is to ensure all information is correctly submitted to avoid any potential issues with the on-site distribution material.

Late Applications

Exhibitors who apply for booth space after January 24, 2022 or exhibitors who have not sent in their final booth payment by that date will not be listed in the printed Guide to Poster Sessions and Exhibits.

No Show Policy

In the event that an exhibiting company has not arrived on the exhibit floor by 5:00 p.m. on Saturday, April 9, 2022 and has not been granted pre-approval for late set-up, the AACR reserves the right to use the vacant exhibit space as it sees fit, with no obligation to issue a refund. Any exhibit materials, either in the vacant booth or on the loading dock, for that exhibit space, will be placed in storage at the exhibitor’s expense. Substitute booth space will be available at the discretion of the AACR. The exhibitor is responsible for all fees associated with removing freight from storage.

If an exhibitor requires additional time to set up beyond the hours listed, they must obtain permission from Management. Therefore, should special circumstances arise and additional time is required for set up, please submit a request to the exhibits team at exhibits@aacr.org. Note: All exhibit booths must be show ready by 5:00 p.m. on Saturday, April 9.

Subletting and/or Sharing of Exhibit Space

No exhibitor may sublet, share, apportion, or assign all or any part of its exhibit space with or to another organization or business unless prior written consent has been obtained from AACR. If the exhibitor submits a written request prior to AACR Annual Meeting 2022, at its sole discretion, may grant exceptions to the following: a recent merger/acquisition (since January 1, 2020); divisions of the same company and companies co-marketing a product. Exhibitors must provide to AACR written documentation of the particular relationship. AACR retains the right to remove from the exhibit halls any company or organization without a signed contract. Only those companies and organizations that are the authorized occupants of each exhibit space will be entitled to exhibitor badges and only those authorized companies will be included on published exhibitor lists.

Unofficial Housing and Registration Vendors

Please be aware that you may be contacted by telephone by companies or hotels claiming to be the official AACR Annual Meeting 2022 housing providers or magazine advertisers. Neither AACR nor CMR will call you to solicit reservations. You may receive emails regarding housing but note that the only ofcial emails will come from an email address ending in ACR.org or CMR. All lodging for the AACR should be arranged using the links provided through the Exhibitor Dashboard or by calling the phone numbers on the AACR Annual Meeting 2022 page. If you are unsure of who has contacted you regarding your hotel reservations or an advertising opportunity, or if one of these scammers contacts you, please notify AACR as soon as possible by emailing exhibits@aacr.org.

AACR Annual Meeting 2022 Official Contractors

During the planning of this meeting, you will most likely receive emails, mailings and/or calls from companies using the AACR name to offer their booth displays, shipping, audio visual and other services. Please note that AACR evaluates and chooses vendors who offer superior service and quality products to exhibitors. Please be assured that AACR never provides AACR exhibitor lists to those other than official AACR Show Vendors. When evaluating a particular vendor, please be sure they display the official AACR Vendor Seal. Each official AACR Annual Meeting 2022 vendor is required to use the official Vendor Seal on all forms and website landing pages. If you do not see this seal on a vendor reaching out to you, or if you receive an email or a phone call and are not sure if this is an official show vendor, please do not hesitate to contact Lisa A. Guide to Poster Sessions and Exhibits

The Guide to Poster Sessions and Exhibits is a valuable resource for attendees to navigate the Exhibit Hall. Included with your booth fee the AACR includes a complimentary 50-word description, two primary product/service categories and the alphabetical and numerical listing for your exhibit in the Guide to Poster Sessions and Exhibits. This booth description and product/service categories are important as they will give your company additional exposure, will describe what the attendee might learn when they visit your booth, and will assist the attendees in locating companies on the exhibit hall floor. If the description is not provided, ONLY the name of the exhibiting company and booth number will appear in the Guide to Poster Sessions and Exhibits. Don’t miss the opportunity to maximize your presence at the AACR Annual Meeting, include your description with your application.
Exhibitors who are not paid in full and descriptions received after January 24, 2022 will not appear in the Guide to Poster Sessions and Exhibits.

Careful consideration will be given to all requests but cannot be guaranteed.

• No side rails or counters may exceed 48” in height.

• Backgrounds are limited to 8’ in height, including any identification sign, and must not protrude from the back wall more than 50% of the distance from the back wall to the front of the booth.

Island Exhibit Space

An island is typically defined as a 400 square feet (20’ x 20’) or larger exhibit space surrounded with aisles on all sides. Island booths should be constructed to allow access from all sides. The maximum height of an island is twenty (20’) feet. Multi-story/ double-decker booths are not permitted.

The Island Exhibitor receives the following benefits:

• Waiver of the 8’ height restriction, not to exceed 20’ where applicable.

• Waiver of sidewall restrictions.

• Increased visibility from all areas of the Exhibit Hall.

• Ability to utilize hanging signs.

Exhibit Set-back/Sightlines

Inline: Set-back rules are in place to maintain an open atmosphere in the exhibit hall by maintaining sight lines and traffic flow. Inline exhibits may not place any display component that is taller than 4’ high in the front 5’ of the exhibit, unless it is product.

Island: All demonstrations must be confined to the back half of the exhibit, so they can be viewed from within the exhibit. 20’ wide island exhibits must maintain a 1’ setback of all exhibit structure. Reception counters/information kiosks may not be closer than 2’ from the aisle. 50’ wide island exhibits must maintain a 2’ setback of all exhibit structure. Reception counters/information kiosks may not be closer than 3’ from the aisle. 80’ wide island exhibits must maintain a 3’ setback of all exhibit structure. Reception counters/information kiosks may not be closer than 4’ from the aisle. Submission Expectations and Requirements

Any company that is assigned island exhibit space must submit floor plans and elevation blueprints to Exhibit Management at exhibits@aacr.org or upload renderings to the MYS Exhibitor Dashboard by March 12, 2022. The AACR requires floor plans from every island exhibitor to ensure that the rules and regulations governing exhibit booth design, outlined in this section, are followed. Advance review also provides the AACR with the opportunity to resolve any potential issues. With the submission of your renderings, please include:

• All dimensions of structures within the booth - not to exceed twenty (20) feet.

• The height of any hanging signs from the floor to the top of the sign - not to exceed 22’.

• An outline or CAD drawing of the booth design to ensure all structures abide by the setback rule.

• Ample sight lines.

Failure to Adhere to Policy

Exhibiting companies that violate this policy could face a loss of accrued priority points and suspension of exhibiting privileges. AACR strictly enforces the rules and regulations and will hold all parties responsible for upholding them.

Double Decker Booths

Double-Decker/ Multi-Level booths are not permitted.

Hanging Signs

Signs and lighting truss may be suspended from the ceiling in island booths only. Signage must not violate the AACR 22-ft. height restrictions. The suspended height is 22’ when measured from the floor up to the top of the sign.

Carpeting

The AACR requires all exhibitors to provide floor covering for their booths/displays. All booths must be carpeted by 5:00 p.m. on Saturday, April 9, 2022. There are no exceptions to this rule. If a booth is not carpeted, the AACR will order carpet on the exhibitor’s behalf at the exhibitor’s expense.

Bridging of floor surfaces across aisle is not allowed. Stickers/Clings placed in aisles are prohibited.
Helium Balloons and Drones

At no time are exhibitors allowed to bring helium balloons, including mylar, or motorized drones into the facility.

VI. Contractors, Labor, and Security

Contract Obligations and Liability

The exhibitor agrees to protect, save, and keep the AACR and the occupied convention center forever harmless from any damage or charges imposed for violation of any law or ordinance by the exhibitor, their employees or agents, as well as to strictly comply with the applicable terms and conditions contained in the agreement between the AACR and the occupied convention center regarding the exhibition premise. Furthermore the exhibitor shall at all times protect, indemnify, save, and keep harmless the AACR and the occupied convention center and from any and all loss, cost, damage, liability, or expense which arises out of or from, or by reason of any act or omission by the exhibitor, his employees, or agents.

Installing, Exhibiting, and Labor Policy

Exhibitors shall use proper authorized labor for exhibit installation during move-in, services during open hours, and exhibit dismantling during move-out, according to the official policies/union agreement of AACR, facility management, official general services contractor, and all applicable state and local laws. Exhibitors planning to build special displays on site should employ union display companies in their fabrication, carpentry, and electrical work. Rules and regulations pertaining to union labor and the convention center will appear in your Exhibitor Service Kit.

Insurance

Exhibitors wishing to insure their exhibit materials, goods and/or wares against theft, damage by fire, accident, or loss of any kind must do so at their own expense. The AACR does not carry insurance of any sort on the exhibit or other property of Exhibitors and the AACR assumes no liability for loss or damage thereto from any cause. Each exhibiting company is responsible for obtaining insurance (Liability and Fire/Theft) in such amounts as deemed appropriate to comply with its obligations hereunder and for its own protection.

Exhibitor Appointed Contractor (EAC)

All Exhibitors utilizing an Exhibitor Appointed Contractor (EAC) must notify the AACR of all EAC services well in advance of the Show. Of official Notification of EAC Forms will be in the Exhibitor Service Kit and are due by February 25, 2022. If an exhibitor is using an EAC, it is the exhibitor’s responsibility to submit the Exhibitor Appointed Contractor Form and valid certificate of insurance by February 25, 2022. Failure to provide these documents to the AACR by the indicated due dates will be cause to exclude the EAC from participation at the Show. Insurance should include:

- Commercial general liability coverage, product liability coverage, and broad property damage endorsement with combined and single limits of not less than $1 million per occurrence.
- Coverage for workers’ compensation and employers’ liability within commercially reasonable limits as otherwise required by the laws of the state of California.
- Naming of AACR, Freeman, the Ernest N. Morial Convention Center as additional insured.
- Naming of the exhibiting company/organization and booth # that they are representing in the description area; if said information is not included, the certificate of liability insurance will NOT be accepted by AACR.

EACs may not solicit business in the exhibit hall at any time. The exhibiting company is responsible for the actions of its EAC and all exhibitor rules apply to this sub-contractor of the exhibitor. The EAC must provide worker names for each day at the exhibit hall in advance to Ernest N. Morial Convention Center and Security Company and check in at the convention center/security checkpoint upon arrival to receive installation/dismantling passes allowing access to the exhibit hall. These passes are typically in the form of wrist bands that must be worn on the wrist, for security reasons. Workers without properly displayed exhibit hall access passes will be prohibited from work during set-up.

The AACR reserves the right to remove any EAC or its employees who do not comply with AACR exhibitor rules or the operating rules of the Ernest N. Morial Convention Center. The AACR reserves the right to prohibit EAC participation at the AACR Annual Meeting, both at Ernest N. Morial Convention Center and at future exhibit locations, at the sole discretion of the AACR, when such actions are necessary.
**Convention, Display, Trade Show Labor Regulations**

All exhibits must conform to the rules and regulations of the Convention Center and to the International Association of Exhibitions and Events Display Guidelines adopted by AACR and distributed with booth assignments. The guidelines will also be available in the Exhibitor Service Kit, viewable online through the Exhibits Show webpage, and available upon request.

Labor can be ordered in advance by returning the Display Labor Order Form, included in your Exhibitor Service Kit or at show site at the Freeman Service Desk. To avoid any misunderstandings in advance or at the show, contact the show management by letter for additional clarification. Rules and regulations pertaining to union labor and the convention center will appear in your Exhibitor Service Kit.

**Drayage and Shipping**

Freeman will control access to the trade show floor, which includes access from the loading docks and/or all doorways into an exhibit facility. This will help to provide a safe and orderly move-in/move-out. Unloading or reloading of any freight into the exhibit hall by any and all private vehicles and contracted carriers will be handled by Freeman. Rates for material handling services will be included in the Exhibitor Service Kit.

Freeman will receive all crated shipments up to 30 days in advance and deliver them to the booths for installation, remove empty crates from the exhibit area before show time and return same to exhibit booths upon close of the AACR Annual Meeting.

**Loading and Unloading:** Full-time Exhibitor personnel shall have the right to unload POVs (private-owned vehicles); limited to cars, personal vans, small pick-up trucks and trailers no longer that 12 ft. and limited to a maximum one-hour dock time. No material handling equipment may be used, nor will it be loaned to Exhibitor. Two-wheeled dollies or equivalent are allowed. All vehicles with materials for delivery must first check in at the marshalling yard. Empty crates must be stored in a location that is acceptable to Freeman and will not be permitted to remain in the exhibition area and building during the course of the AACR Annual Meeting.

**Storage of Crates and Boxes**

Fire regulations prohibit storing product, literature, empty packing containers, or packing material behind back drapes or under draped tables. In most cases, however, exhibitors may store a limited supply of literature or product within the booth area, so long as these do not impede access to utility services, create a safety problem, or appear unsightly. Accessible storage for exhibit materials will be available from Freeman for a fee. Detailed information regarding accessible storage will be available in the Exhibitor Service Kit.

Proper identification and tags will be available at the Exhibitor Service Desk. Storage of crates and boxes can be arranged with the official service contractor, as outlined in the Exhibitor Service Kit.

All cartons, crates, containers, packing materials, etc. which are necessary to repacking must be labelled with ‘EMPTY’ stickers. They will be removed from the floor and stored by Freeman. Access to storage will be available through Freeman. Arrangements can be made at the Exhibitor Service Desk. In accordance with the fire marshal, crates and boxes cannot be stored behind booth displays.

**Porter Service**

In an effort to maintain a clean and organized exhibit hall, exhibitors who will be distributing giveaways and providing food and beverage/hospitality in their booth must order porter service through Freeman, the general service contractor. Porter service is exclusive to Freeman and includes monitoring the exhibit booth to empty wastebaskets and collect empty boxes during show hours. Standard wastebasket emptying does not include removal of empty boxes. Empty boxes may not be placed in the exhibit hall aisles, behind or adjacent to columns, or in trashcans in the exhibit hall during show hours. If an exhibitor does not properly handle empty boxes, Freeman will remove the boxes at the exhibitor’s expense.

**Security**

Peripheral watchmen shall be furnished by AACR Management to be on duty in the exhibit area when exhibits are closed, but the safekeeping of the exhibitor’s property shall remain the responsibility of the exhibitor. The AACR, the Ernest N. Morial Convention Center, or the city of New Orleans, LA will not be responsible for loss of any material by or for any reason.

Each exhibitor is recommended to purchase a portal-to-portal rider available at a nominal cost on their own insurance policy, protecting them against loss through theft, fire, damage, etc. Forms to order additional security in booths will be included in the Exhibitor Service Kit.

**Electrical Safety**

All wiring on booths or display fixtures within an exhibitor’s booth must meet underwriters’ rules and pass standard fire department inspection applicable under all appropriate state, county, city, and the Ernest N. Morial Convention Center Policies and Procedures. This applies to construction, not pre-wired equipment.
Federal and Local Fire and Building Codes

All materials used in display construction or decorating will be made of fire retardant materials and be certified as flame retardant. Samples should be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate must be available for inspection. Exhibitor is responsible for compliance with life/safety and fire codes.

Fire Protection

All materials used in the exhibit area must be flameproof and fire resistant in order to conform to local fire ordinances and in accordance with regulations established by the National Association of Fire Underwriters. Crepe paper, corrugated paper, flameproof or otherwise, will not be permitted. Display racks, signs, spotlights, and special equipment must be approved before use, and all displays are subject to inspection by the Fire Prevention Bureau. Any exhibits or parts thereof that are found not to be fireproof may be ordered dismantled. All aisles and exhibits must be kept clear at all times, and fire stations and fire extinguisher equipment are not to be covered or obstructed. The Ernest N. Morial Convention Center and the New Orleans Fire Department Prevention Division reserve the right to make any final decisions regarding fire and public safety.

Telephone and Internet Services

Telephones and internet service in the exhibit hall is supplied exclusively by Ernest N. Morial Convention Center. Information on ordering these services will be available in the Exhibitor Service Kit.

Food service is permitted at the exhibitor’s booth with AACR approval. All food service arrangements must be coordinated through the exclusive provider of food and beverages at the Ernest N. Morial Convention Center. AACR prohibits the distribution of alcoholic beverages and popcorn. Information on ordering these services will be available in the Exhibitor Service Kit.
