Thank You for completing this application.

Submitting this application DOES NOT confirm that you or your organization will be selected to participate in the Scientist → Survivor Program at the Annual Meeting 2022. The selection process is competitive, as there are a limited number of spots available.

Advocates may only participate in the Scientist → Survivor Program at AACR Annual Meeting twice. Once you have exhausted your opportunities, you may apply as an advocate mentor.

AACR will cover all travel and lodging for accepted participants during the program. However, participants are responsible for all incidental expenses including baggage fees, tips, poster costs, phone charges, laundry, meals outside the program, and rental cars.

Applicants will be notified via email. Please add ssprogram@aacr.org to your contact list to remove from spam filter.

For additional information please contact:
