

VIRTUAL CONGRESSIONAL BRIEFING: AACR REPORT ON THE IMPACT OF COVID-19 ON CANCER RESEARCH AND PATIENT CARE

Wednesday, February 9, 2022 • 1:00 pm – 2:00 pm EST

Please join us for a virtual congressional briefing to release the *AACR Report on the Impact of COVID-19 on Cancer Research and Patient Care*. This report will describe the significant impact the pandemic has had on patients with cancer and the field of cancer research; highlight how cancer researchers have responded to the challenges posed by COVID-19; and document lessons learned during the pandemic that can be used to improve cancer research and patient care moving forward.

WELCOME

Margaret Foti, PhD, MD (hc)
Chief Executive Officer
American Association for Cancer Research
Philadelphia, Pennsylvania
