

AACR Annual Meeting 2023: Locating Your Abstract Control Number

Your abstract control number can be found in any e-mail correspondence related to your abstract (such as a submission confirmation). You can also access your control number by logging into the abstract submission portal. The submission portal will open on **Tuesday, September 27** and will be available through the AACR website: <https://www.aacr.org/meeting/aacr-annual-meeting-2023/abstracts/>
