GENERAL INFORMATION (cont’d)

Eligibility Requirements
The AACR is committed to providing a quality exhibition. Exhibits will be limited only to the company and the product(s) listed on the application and are subject to approval by the AACR Exhibits Committee for accepted and acknowledged effectiveness and commercial availability. Only the sign of the company whose name appears on the contract may be placed in the booth or appear on any printed list of exhibitors. The AACR reserves the right to accept or reject a potential exhibitor based on its assessment of whether that company or organization’s products and/or services are relevant to AACR members and their meeting attendees. All exhibits will be reviewed onsite.

Full documentation as to the extent and results of any research done on the exhibited items must be available at the company’s booth throughout the AACR Annual Meeting. All exhibited items must comply with local, state, and FDA regulations, and must be related to cancer research.

Non-Profit Exhibitors
Exhibit space at the Non-Profit rate is limited. The AACR Exhibits Committee has the responsibility of approving applications for not-for-profit exhibitors. The organization must be a government entity or must be recognized by the IRS as a 501(c)3 charitable organization. The organization must have demonstrated support for cancer research through financial contributions or provisions of infrastructure. The organization may not offer a product or service for sale on the exhibit floor.

The Non-Profit rate is only available to booths in the Non-Profit Section. When space is no longer available in the Non-Profit Section, or organization chooses to be placed in another location on the floor, full exhibit rates will apply. Any organization reserving two or more booths in the Non-Profit Section will pay the Non-Profit rate for the first booth and full rate for any additional space.

New Exhibitors
Companies applying for exhibit space that have never exhibited at the AACR Annual Meeting will need to go through an approval process. The potential exhibitor is required to submit an application for exhibit space, a product summary form, and company literature, which is sent to the AACR Exhibits Committee. The booth chosen by the company is put on hold during the approval period. The company is notified of the Committee’s decision in a timely manner. Upon approval, the application is processed and the booth is released to the company. Upon rejection, the application is denied and the booth becomes available.

Booth Relocation Policy
Every effort will be made not to relocate an exhibitor’s booth. However, should relocation be deemed necessary, the exhibitor will be notified and offered the opportunity to relocate their exhibit or cancel with no further penalty.

Payment Policy
The exhibitor agrees to enclose with the application for booth space a deposit of 50% of the total fee. Payment can be made by either credit card (AMEX, Visa or MasterCard) or check in U.S. dollars, drawn on a U.S. bank payable to the American Association for Cancer Research. All payments should be sent to:
AACR, 615 Chestnut Street, 17th Floor, Philadelphia, PA 19106, Attn: Finance Department. If you require wire transfer instructions, please email exhibits@aacr.org.

The final balance will be due 30 days from date of invoice or by January 24, 2023. Exhibitors who are not paid in full will not be listed in the mobile app. Any company with an outstanding balance and not paid in full by Thursday, April 13, 2023 will not be able to set-up their exhibit.

Cancellations/Reductions*
Notification of booth space cancellation or space reduction must be submitted in writing and received on or before the following dates. The following fees will apply to any cancellations or reduction in exhibit space:

• Prior to September 14, 2022–Cancellation/Reduction of Space will be accepted with no penalty.
• September 14 through October 7, 2022–Exhibitor is refunded entire payment less $500.00 per booth space.
• October 8 through November 21, 2022–Exhibitor is responsible for 50% of the total booth fee.
• After November 21, 2022–Exhibitor is responsible for the entire booth fee. No Refund will be issued.

*Exhibitors that change the size of their exhibit space are not guaranteed the originally assigned location and are subject to relocation by the AACR and to the cancellation/reduction policy as stated above.
No Show Policy
In the event that an exhibiting company has not arrived on the exhibit floor by 5:00 p.m. on Saturday, April 15 and has not been granted pre-approval for late set-up, the AACR reserves the right to use the vacant exhibit space as it sees fit, with no obligation to issue a refund. Any exhibit materials, either in the vacant booth or on the loading dock, for that exhibit space, will be placed in storage at the exhibitor’s expense. Substitute booth space will be available at the discretion of the AACR. The exhibitor is responsible for all fees associated with removing freight from storage.

If an exhibitor requires additional time to set up beyond the hours listed, they must obtain permission from Management. Therefore, should special circumstances arise and additional time is required for set up, please submit a request to the Exhibits Team at exhibits@aacr.org. Note: All exhibit booths must be show ready by 5:00 p.m. on Saturday, April 15.

Subletting and/or Sharing of Exhibit Space
No exhibitor may sublet, share, apportion, or assign all or any part of its exhibit space with or to another organization or business unless prior written consent has been obtained from AACR. If the exhibitor submits a written request prior to AACR Annual Meeting 2023, at its sole discretion, may grant exceptions to the following: a recent merger/acquisition; divisions of the same company and companies co-marketing a product. Exhibitors must provide to AACR written documentation of the particular relationship. AACR retains the right to remove from the exhibit halls any company or organization without a signed contract. Only those companies and organizations that are the authorized occupants of each exhibit space will be entitled to exhibitor badges and only those authorized companies will be included on published exhibitor lists.

Unofficial Housing and Registration Vendors
Please be aware that you may be contacted by telephone by companies or hotels claiming to be the official AACR Annual Meeting 2023 housing providers or magazine advertisers. Neither AACR nor CMR will call you to solicit reservations. You may receive emails regarding housing but note that the only official emails will come from an email address ending in AACR.org or CMR. All lodging for the AACR should be arranged using the links provided through the Exhibitor Dashboard or by calling the phone numbers on the AACR Annual Meeting 2023 page. If you are unsure of who has contacted you regarding your hotel reservations or an advertising opportunity, or if one of these scammers contacts you, please notify AACR as soon as possible by emailing exhibits@aacr.org.

AACR Annual Meeting 2023 Official Contractors
During the planning of this meeting, you will most likely receive emails, mailings and/or calls from companies using the AACR name to offer their booth displays, shipping, audio visual and other services. Please note that AACR evaluates and chooses vendors who offer superior service and quality products to exhibitors. Please be assured that AACR never provides AACR exhibitor lists to those other than official AACR Show Vendors. When evaluating a particular vendor, please be sure they display the official AACR Vendor Seal. Each official AACR Annual Meeting 2023 vendor is required to use the official Vendor Seal on all forms and website landing pages. If you do not see this seal on a vendor reaching out to you, or if you receive an email or a phone call and are not sure if this is an official show vendor, please do not hesitate to contact Tammy Berger, AACR Director of Exhibits at 215-440-9300 (x170) or via email exhibits@aacr.org.

Exhibitor Advisory Committee (EAC)

The AACR enlists the help and support of industry by maintaining an Exhibitor Advisory Committee (EAC) consisting of elected industry professionals who serve in an advisory capacity to the AACR. The Committee's goal is to foster communications and corporation between exhibitors and the association. Members of the EAC meet to find ways to improve the exhibits portion of the AACR Annual Meeting.

Members represent a broad cross-section of the exhibitor population. Company representatives interested in serving on the Exhibitor Advisory Committee should send requests to exhibits@aacr.org.

AACR Exhibits Committee

The AACR would like to thank the Exhibits Committee for their support of the AACR and the AACR Annual Meeting Exhibit Show. This committee is responsible for ensuring the content displayed by exhibiting companies meets the standards set forth by the AACR. All companies new to the AACR Annual Meeting Exhibit Show must go through a very thorough review process by submitting an application to exhibit, along with supporting documents. Please contact the Exhibits Team at exhibits@aacr.org, should you have any questions regarding this process or members of this committee.

Furthermore the exhibitor shall at all times protect, indemnify, save, and keep harmless the AACR and the occupied convention center against and from any and all loss, cost, damage, liability, or expense which arises out of or from, or by reason of any act or omission by the exhibitor, his employees, or agents.

Installing, Exhibiting, and Labor Policy

Exhibitors shall use proper authorized labor for exhibit installation during move-in, services during open hours, and exhibit dismantling during move-out, according to the official policies/union agreement of AACR, facility management, official general services contractor, and all applicable state and local laws. Exhibitors planning to build special displays on site should employ union display companies in their fabrication, carpentry, and electrical work. Rules and regulations pertaining to union labor and the convention center will appear in your Exhibitor Service Kit.

Insurance

Exhibitors wishing to insure their exhibit materials, goods and/or wares against theft, damage by fire, accident, or loss of any kind must do so at their own expense. The AACR does not carry insurance of any sort on the exhibit or other property of Exhibitors and the AACR assumes no liability for loss or damage thereto from any cause. Each exhibiting company is responsible for obtaining insurance (Liability and Fire/Theft) in such amounts as deemed appropriate to comply with its obligations hereunder and for its own protection.

Exhibitor Appointed Contractor (EAC)

All Exhibitors utilizing an Exhibitor Appointed Contractor (EAC) must notify the AACR of all EAC services well in advance of the Show. Official Notification of EAC Forms will be in the Exhibitor Service Kit and are due by February 1, 2023.

If an exhibitor is using an EAC, it is the exhibitor’s responsibility to submit the Exhibitor Appointed Contractor Form and valid certificate of insurance by February 1, 2023. Insurance should include:

- Commercial general liability coverage, product liability coverage, and broad property damage endorsement with combined and single limits of no less than $1 million per occurrence.
- Coverage for workers’ compensation and employers’ liability within commercially reasonable limits as otherwise required by the laws of the state of Florida.
- Naming of AACR, Freeman, the Orange County Convention Center as additional insured.
- Naming of the exhibiting company/organization and booth # that they are representing in the description area; if said information is not included, the certificate of liability insurance will NOT be accepted by AACR.

Failure to provide these documents to the AACR by the indicated due dates will be caused to exclude the EAC from participation at the Show.

EACs may not solicit business in the exhibit hall at any time. The exhibiting company is responsible for the actions of its EAC and all exhibitor rules apply to this sub-contractor of the exhibitor. The EAC must provide worker names for each day at the exhibit hall in advance to Orange County Convention Center and Security Company and check in at the convention center/security checkpoint upon arrival to receive installation/dismantling passes allowing access to the exhibit hall. These passes are typically in the form of wrist bands that must be worn on the wrist, for security reasons. Workers without properly displayed exhibit hall access passes will be prohibited from work during set-up.

The AACR reserves the right to remove any EAC or its employees who do not comply with AACR exhibitor rules or the operating rules of the Orange County Convention Center. The AACR reserves the right to prohibit EAC participation at the AACR Annual Meeting, both at Orange County Convention Center and at future exhibit locations, at the sole discretion of the AACR, when such actions are necessary.
**Convention, Display, Trade Show Labor Regulations**

All exhibits must conform to the rules and regulations of the Convention Center and to the International Association of Exhibitions and Events Display Guidelines adopted by AACR and distributed with booth assignments. Labor can be ordered in advance by returning the Display Labor Order Form, included in your Exhibitor Service Kit or at show site at the Freeman Service Desk. To avoid any misunderstandings in advance or at the show, contact the show management by letter for additional clarification. Rules and regulations pertaining to union labor and the convention center will appear in your Exhibitor Service Kit.

Rates for material handling services will be included in the Exhibitor Service Kit.

Peripheral watchmen shall be furnished by AACR Management to be on duty in the exhibit area when exhibits are closed, but the safekeeping of the exhibitor’s property shall remain the responsibility of the exhibitor. The AACR, the Orange County Convention Center, or the city of Orlando, FL will not be responsible for loss of any material by or for any reason. Each exhibitor is recommended to purchase a portal-to-portal rider available at a nominal cost on their own insurance policy, protecting them against loss through theft, fire, damage, etc. Forms to order additional security in booths will be included in the Exhibitor Service Kit.

**Electrical Safety**

This applies to construction, not pre-wired equipment.

Fire Protection
All materials used in the exhibit area must be flameproof and fire resistant in order to conform to local fire ordinances and in accordance with regulations established by the National Association of Fire Underwriters. Crepe paper, corrugated paper, flameproof or otherwise, will not be permitted. Display racks, signs, spotlights, and special equipment must be approved before use, and all displays are subject to inspection by the Fire Prevention Bureau. Any exhibits or parts thereof that are found not to be fireproof may be ordered dismantled. All aisles and exhibits must be kept clear at all times, and fire stations and fire extinguisher equipment are not to be covered or obstructed. The Orange County Convention Center and the Orlando Fire Department Prevention Division reserve the right to make any final decisions regarding fire and public safety.
