

ANNUAL MEETING 2023

DISCLOSURE OF FINANCIAL RELATIONSHIPS

In compliance with the standards set by the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of the American Association for Cancer Research (AACR) that the information presented at CME activities will be unbiased and based on scientific evidence. To help participants make judgments about the presence of bias, the AACR has provided information that planning committee members, speakers, and abstract presenters have disclosed about financial relationships they have with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products or services used by or on patients.

Relationships are abbreviated as follows: E, Employment; FO, Fiduciary Officer; IC, Independent Contractor; S, Stock; SO, Stock Option; OS, Other Securities; OBO, Other Business Ownership; GC, Grant/Contract; T, Travel; GI, Gift; P, Patent; TM, Trademark, C, Copyright; OIP, Other Intellectual Property; O, Other
