

I am honored to serve as the 2023-2024 Chair of the Minorities in Cancer Research Council. The MICR Council members are planning a number of professional development and networking activities during the 2024 AACR Annual Meeting. As an MICR member, we look forward to your participation and engagement and hope that it will be a meaningful experience. We also encourage you to get involved with MICR in the following ways:

- MICR is seeking three new members for the 2024-2027 term. Apply today if you are interested in joining this committed leadership group.
- MICR Scholar Awards are open to Early Career and Minority Faculty Investigators. Apply today!
- Volunteer for MICR Committee Service
- Share your professional achievements or achievements of a colleague for the MICR member spotlight
- Encourage your colleagues or students to join the AACR and MICR

See you in San Diego!

Camille Ragin, PhD, MPH

MICR Chairperson 2023-2024
